

# Magazine Cover Envelope

Materials needed...

\*Old magazine covers, catalog covers, or heavyweight junk mail

\*scissors

\*Blank address label stickers

\*One sheet

\*Glue stick

\*Writing pens or markers

of tagboard

\*Use the envelope pattern to create your envelopes.

\*Make a copy on tagboard and cut out.

\*These envelopes work best if made from magazine covers or heavier weight paper.

\*Find a colorful magazine cover and trace the envelope pattern on to the page.

\*Cut out the envelope and fold as shown on the pattern at the dotted lines.

\*Glue the flaps down and insert your letter.

\*On very colorful envelopes it works best to use blank address label stickers to write addresses.

\* Your envelope is ready to mail.
